

Graduation Requirements

Competency Requirements

1. Reading and Writing

- a. Completion of ENGL 1A or ENGL 1AE with a grade of "C" or better or a verified equivalent course successfully completed at another college.
- b. Competency may also be met by achievement of any of the following minimum test scores:

Examination	Score
Advanced Placement (AP)	3, 4 or 5
English Language and Composition	
English Literature and Composition	
CLEP subject exam in English	
Composition with essay	50 or higher

NOTE: A college course, Advanced Placement, or CLEP scores satisfying this requirement can also be applied to the English Composition Requirement of the General Education Requirements.

2. Mathematics

This requirement can be satisfied in any of the following ways:

- a. A grade of "C" or better for one year in Algebra II, Common Core Integrated Math 3, or equivalent math course, or higher math course from a high school or another secondary institution.
- b. A grade of "C" or better in MATH 263 (Intermediate Algebra and Coordinate Geometry) or in a higher MPC math course.
- c. A grade of "C-" or better in an equivalent intermediate algebra course or in a higher math course from another university or college.
- d. Achieving any of the following minimum scores:

Examination	Score			
Advanced Placement (AP)	3, 4 or 5			
Calculus AB or BC				
Statistics or Computer Science Principles				
CLEP subject exam in College				
Algebra, Calculus or Trigonometry	50 or higher			

An official college or high school transcript must verify course and grade.

An official score report must be presented to verify AP or CLEP scores.

3. Information Competency

This requirement can be satisfied in any of the following ways:

- a. Completion of LIBR 50 with a grade "C" or better.
- b. Completion of an equivalent course at another college or university.
- c. Completion of the Information Competency Requirement at another college or university.
- d. A satisfactory score on the Information Competency proficiency exam (0 units).
- e. Credit by examination with a passing grade "C" or better will be accepted for LIBR 50.

General Education Course Requirements

Students can select from one of three general education patterns: CSU GE-Breadth, IGETC, or MPC GE.

CSU General Education-Breadth (CSU GE-Breadth):

The CSU GE-Breadth pattern allows California community college transfer students to fulfill lower-division general education requirements for any CSU campus prior to transfer. This general education pattern can be a good option for students who know they want to transfer to a CSU.

The CSU GE-Breadth is designed to educate students to: think, write, and speak clearly and logically; reason quantitatively; gain knowledge about the human body and mind, the development and functioning of human society, the physical and biological world, and human cultures and civilizations; and develop an understanding of the principles, methods, and values of human inquiry.

See page 72 for the components of the CSU GE-Breadth pattern and the courses that satisfy each component. This pattern is recommended for Associates Degrees if you intend to transfer to a CSU campus.

Intersegmental General Education Transfer Curriculum (IGETC):

The IGETC is a selection of courses that community college students can use to satisfy lower-division general education requirements at any CSU or UC campus. The IGETC will probably be most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus.

See page 73 for the components of the IGETC and the courses that satisfy each component. Use this pattern for Associates Degrees if you plan to transfer to either the CSU or the UC.

Consult a counselor for assistance in selecting the appropriate General Education pattern for your educational goal.

MPC General Education:

The MPC General Education pattern is intended to provide a broad educational foundation for students enrolled in a Career Education or local associate degree not intended for transfer.

The MPC General Education pattern is divided into six areas, as described below. See page 74 for the courses that satisfy each area.

MPC General Education Learning Outcomes

AREA A1: English Composition

Upon successful completion of this area, students will have demonstrated an ability to form a provable thesis, develop it through factual research, distinguish between fact and opinion, and make effective rhetorical choices in relation to audience and purpose.

AREA A2: Communication and Analytical Thinking

Upon successful completion of this area, students will have demonstrated an ability to analyze and evaluate complex issues or problems, draw reasoned conclusions and/or generate solutions, and effectively communicate the results.

AREA B: Natural Sciences

Upon successful completion of this area, students will have demonstrated an ability to use the scientific method to investigate phenomena in the natural world and to use laboratory experiments and concepts or theories to explain them.

AREA C: Humanities

Upon successful completion of this area, students will have demonstrated an ability to analyze and interpret human thought, achievement, and expression relevant to such branches of knowledge as philosophy, literature, and/or the fine and performing arts, and to communicate the results.

AREA D: Social Sciences

Upon successful completion of this area, students will have demonstrated an ability to critically examine and comprehend human nature and behavior, social traditions, and institutions.

AREA E1: Self-Development - Wellness

Upon successful completion of this area, students will have demonstrated an ability to analyze how physical, social, emotional, and/or intellectual factors contribute to wellness and healthful living.

OR

AREA E2: Self-Development – Career Exploration

Upon successful completion of this area, students will have demonstrated an ability to accurately assess knowledge, skills, and abilities in relationship to their career goals.

AREA F: Intercultural Studies

Upon successful completion of this area, students will have demonstrated an ability to examine interactions and interconnections across cultures.

California State University General Education Breadth Requirements 2021-2022 Completion of this pattern satisfies the 39 units of lower-division general education breadth requirements for transfer to any CSU campus as well as the general education requirements for the Associate Degree for Transfer (AA-T, AS-T) and for the associate degree (AA, AS). Courses listed in more than one area may be used to satisfy only one area. The "Golden Four" (Areas A1, A2, A3, B4) must be completed with grades of C- or better. Consult with a counselor regarding your education plan.

Intersegmental General Education Transfer Curriculum (IGETC) 2021–2022 Completion of this pattern satisfies the 37 units of lower-division general education requirements for transfer to any CSU or UC campus as well as the general education requirements for the Associate Degree for Transfer (AA-T, AS-T) and for the associate degree (AA, AS, AS-UCT). Courses listed in more than one area may be used to satify only one area. The course requirements for all areas must be completed before IGETC can be certified. All courses must be completed with grades of 'C' or better (a grade of 'C.' is not acceptable). Consult with a counselor regarding your education plan.
